Discovered by a Woman.

Another great discovery has been, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its sever-est tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she sleept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz.' Thus writes W. C., Hamnick & Co., of Shelby, N. C. Trial botles free at W. F. Pine, Drug Store. Regular size 50c and \$1 00. Every bottle guaranteed.
